Baptist Collegiate Ministries (BCM)

We have been blessed this school year at the Cumberland BCM. We have seen an average of 110 people attend our Tuesday lunches throughout the year. We have also been blessed with an average of 25 in Wednesday evening UpRising worship. We were able to partner with the BSM groups from N. Texas and saw four students accept Christ in March. We have followed up with them and continue to watch the Lord grow them through discipleship.

We would like to thank the following churches for providing a Tuesday meal this school year:

Barton's Creek, Fairview, Fall Creek, Alexandria First, Watertown First, Hillcrest (x2), Rocky Valley (x2), Shop Springs, Silver Springs (x2), The Glade, West hills (x2), Iglesia Renacer, Victory, Bro Dave/Melissa Shelley, The BCM of CU.

We are currently accepting Leadership Team applications. If you have any students who are attending Cumberland and would be a good addition to our team, please let us know so we can get them plugged in!

We will have dates set and available to sign up for Fall Tuesday lunches in July.
